Millennium Garage Doors, Inc., 3240 Series is built for strength and longevity using 24 gauge steel and only the finest materials. Formed with unique bead board raised panel, the 3240 Series is embossed with a natural wood grain texture and a baked-on two polyester finish. The 3240 Series will give your home the appearance of having custom wood carriage house doors with the durability and longevity of steel. We know that regardless of the model or style of the door that you choose, you can be certain a Millennium door will add great value and beauty to your home.

Millennium Garage Doors 3240 Series sets the standard when it comes to beauty and durability.

DISTRIBUTED BY

WARRANTY Millennium Garage Doors (MGD) Series 3240 door sections are backed by a limited lifetime warranty against splitting, cracking, or deterioration due to rusting through in all residential installations. This warranty is limited to all other components of the door to be free from defects in material and workmanship for a period of one year from date of installation in all residential applications. This warranty does not apply to any door which has been altered or repaired by any person not expressly authorized by MGD in writing to do so. This warranty does not apply to any door or part which has been damaged or deteriorated due to misuse, accident, painting or failure to provide necessary maintenance.
